Butterflies of Cornwall Atlas for the Twenty-first Century

A chance to support a new book on Cornwall's butterflies

In 2021, the book, *Butterflies of Cornwall: Atlas for the Twenty-first Century*, will be published. Lavishly illustrated, this unique publication presents the latest information on all 37 species of butterfly that can be seen in the county. We plan to print 2,000 copies, available nationwide.

Authoritative, attractive and accessible, *Butterflies of Cornwall* will be the go-to book for natural history enthusiasts, experts and planners. More details of the book are in the accompanying leaflet, also available online at www.cornwall-butterfly-conservation.org.uk/Butterfly%20Atlas%20flyer.pdf
