

REVIEW OF THE HOLLY, COMMON AND SILVER-STUDDED BLUES

The three Cornish Blue butterflies are some of our daintiest. How have they been doing over the last few years in Cornwall?

Holly Blue

Transect numbers in 2016

	Transects seen	Numbers	Total transects	Average per transect
Holly Blue	12	83	36	6
Common Blue	23	593	36	25
SS Blue	10	3333	36	333
